

Washington, D.C.—U.S. Congressman Mike Pence released the following statement in response to Rep. Dan Burton's retirement announcement today, effective January 4, 2013:

"For 30 years, Congressman Dan Burton has worked tirelessly to represent the people of Indiana in our nation's Capitol. Throughout those years of service, Dan Burton never waived in his commitment to a strong national defense, fiscal responsibility and traditional values. Karen and I wish Dan and Samia the best in their retirement, but Congress and Indiana will miss the strong leadership of this dedicated public servant."
